

A New DonorsChoose Special Request Option

Estes Rockets Cosmic Club offers teachers an immersive STEM learning experience for their classrooms!

[DonorsChoose](#) is a crowdfunding platform for public education that connects citizen and corporate donors to public school classrooms throughout the country. Estes Rockets is now bringing the fun and excitement of Cosmic Club straight to your school!

Have a DonorsChoose account?

To get started, go to your DonorsChoose account, create a new [Special Request](#) project and follow the steps to create your project. You'll need a price quote from Estes Rockets Cosmic Club to create your projects. Reach out to us at bpower@estesrockets.com or submit an inquiry [here](#).

New to DonorsChoose?

DonorsChoose is excited to support public school teachers across the country! You can confirm your school [eligibility](#) and set up an [account](#) to get started on a project for your classroom right now!

We encourage teachers to complete the DonorsChoose project creation and fulfillment experience at least twice before creating a Special Request project. Once you have become a pro at creating projects for your classroom, you'll be ready to create your special request project for Estes Rockets Cosmic Club. If you have questions about your DonorsChoose account, check out their [Help Center](#) or reach the DonorsChoose team at customerservice@donorschoose.org.
